Engaged in legal practice for over ten years, Samuel Huang specializes in the field of capital markets & securities, merger and acquisition, private equity & venture capital investment, etc., with a wide range of practice areas covering pharmaceuticals and healthcare, semiconductors, AI, intelligent manufacturing, new energy, education, finance technology and many other sub-sectors.

Samuel Huang has represented lots of well-known leading investment institutions and funds to close about 200 private equity and venture capital investment transactions; also represented about 200 domestic enterprises to close their financing transactions. In addition, Samuel Huang has assisted about 100 of aforementioned enterprises in implementing their innovative ESOP.

In the meanwhile, Samuel Huang has assisted clients to close dozens of deals concerning cross-border M&A and/or commercialization cooperation, with his extensive experience with respect to the whole process including legal due diligence, transaction structure design, negotiation and the final closing. He has also successfully assisted many well-known leading investment institutions, funds and start-up founders to achieve considerable returns through equity exit by means of M&A and/or IPO. With years of law practice, Samuel Huang is an expert at providing practical and comprehensive legal solutions based on the specific circumstances to clients through a combination of non-litigation and litigation methodology.
